

# Letter of Recommendation

**Date :** 25th August 2026

**Role :** Java Programming Intern

**Dear,** Mahnoor Yasir

It is with great pleasure that I write this letter of recommendation for Mahnoor Yasir , who successfully completed a Internship with **Crixsoft Solution** from **05th June 2026 to 05th July 2026..**

During this time, Mahnoor Yasir demonstrated exceptional skills, professionalism, and dedication, making significant contributions to our projects.

As a virtual intern, Mahnoor Yasir worked closely with our team on Java Programming projects. Despite the challenges of working remotely, they maintained consistent communication, adhered to deadlines, and showed a remarkable ability to collaborate effectively in a environment. Their problem-solving skills and ability to take initiative were invaluable in ensuring the success of the tasks assigned to them.

Some of the key qualities that stood out during their time with us include:

- Technical Expertise: Mahnoor Yasir displayed a strong grasp of Java Programming skill, which they applied to every task, contributing to the overall success of the project.

Work Ethic: Their commitment to excellence and tireless effort were evident in the quality of their work.

- They consistently exceeded our expectations and were always open to feedback.

Team Collaboration: Even in a virtual setting, Mahnoor Yasir was able to work seamlessly with team members from various departments, showing strong interpersonal skills and adaptability.

Based on their performance during the internship, I am confident that Mahnoor Yasir will excel in any future endeavors they pursue. They are a quick learner, a diligent worker, and a valuable team player. I highly recommend Mahnoor Yasir for any role they may seek in the future and believe they will be an asset to any organization.
